

POOL ALGAE

is about to cause TROUBLE!

**Algae lurks patiently for the right conditions.
Don't let algae get a head start!**

Start now and AVOID:

- Murky and potentially unhealthy water
- Recurring algae blooms
- Reduced number of pool use days
- Repeated filter cleaning
- More money spent on chemicals

90-Day Algicide:
Unique organo-copper
complex algaecide.
Extremely effective
against all common algae,
prevents outbreaks,
safe for all
pool surfaces.

Stop algae before it starts!
PRETREAT and prevent with algaecide now.

Depend on Lo-Chlor's 90-Day Algicide
to suppress algae, reduce replacement chlorine,
and save you time and money.

Lo-Chlor® is **The PROVEN Solution**
